HPRO advocates for ongoing regulatory improvement that supports the public interest, helping Colleges to fulfill their regulatory mandate. For more information about HPRO, visit our website: regulatedhealthprofessions.on.ca.

HPRO's member Colleges individually focus on the public interest, working to provide the people of Ontario with safe, competent, and ethical health care and holding healthcare professionals accountable for their conduct and practice. Colleges also have a duty to provide information to the public, and, to that end, a public-facing website is a resource provided by HPRO that shares helpful links to all regulatory Colleges' websites. The site offers straightforward information about healthcare providers and regulations in the 10 most commonly used languages in the province. See ontariohealthregulators.ca to learn more and discover how Colleges support safe healthcare in Ontario.
